Your Pembrokeshire Coast Charitable Trust News

Winter 2025

As we approach the end of the year, we want to take a moment to reflect on everything we've achieved together. Throughout this newsletter, you'll see just how grateful we are for all our supporters, volunteers, fundraisers, and partners. Your dedication makes everything we do possible.

Looking ahead, 2026 promises to be an even busier and more exciting year, with new projects, events, and opportunities on the horizon. We can't wait to share them with you and continue making a real difference across the Pembrokeshire Coast.
